## ALEX<sup>®</sup> Apps Toolbar

1. Ensure that you have access to the ALEX® Apps > Applications option in the Role Based Access Control configuration – this will provide you with access to the ALEX® Apps Toolbar in Evolution.

Role Based Access Control configuration can be found under Evolution icon > Options > Access > Role.

2. The DermEngine icon should be visible in the ALEX® Apps Toolbar for use.

Home	Patient	Account	Claims	Tools	Utilities	Reports	ALEX Apps
D							
DermEngine							
Applications							

3. Right click on any item in the ALEX® Apps Toolbar and select the Add to Quick Access Toolbar option to add the selected icon onto your user specific Quick Access Toolbar.
